IN THE MATTER OF THE ONTARIO HERITAGE ACT, 1974,
S. O. CHAPTER 122

AND IN THE MATTER OF THE LANDS AND PREMISES AT THE
FOLLOWING MUNICIPAL ADDRESSES IN THE PROVINCE OF
ONTARIO

NOTICE OF INTENTION TO DESIGNATE

To: Ontario Heritage Foundation,
77 Bloor Street West,
Toronto, Ontario,
M7A 2R9

TAKE NOTICE that the Council of the Corporation of the Village of Elora intends to designate the properties, including lands and buildings, at the following municipal addresses as properties of architectural and/or historical value or interest under Part IV of The Ontario Heritage Act, 1974, S. O. Chapter 122

- (a) Victoria Street Bridge, Mill Property Lot 1, Plan 286 (Gilkinson's Plan), Township of Nichol, County of Wellington, Province of Ontario: This structure served as an integral part of the life of the Village of Elora for many generations. It was the only link between the two shores of the Grand River in the area. It is the second oldest bridge of its kind in the Province, originally built in 1871 of iron and wood with area limestone abutments. This structure should be made available for pedestrian traffic in order to allow visitors to walk from one side of the river to another, as well as serve as an observation area, enabling them to view local architecture and to paint and sketch the river, both up and downstream.
- (b) Armory Hall (presently LCBO retail store and Civic Works Department), Plan 181, Lots 1,2,3,4, N/W side Clyde Street, Township of Nichol, County of Wellington, Province of Ontario: This structure was originally used as a drill hall and meeting place for the community. It was originally built in 1865 and played a part as a headquarters for military training during the Fenian Raids. It is both historically and architecturally prominent and was one of the focal points of community life in the early days of the Village.

Notice of objection to the proposed designation, together with a statement of the reasons for the objection and all relevant facts may be served on the Clerk of the Village of Elora before the 27th day of May, 1983.

Dated at Elora this 19th day of April, 1983.

Re: Armory Hall (Liquor Store & Works Hall)

Gentlemen:

Enclosed please find description of above being submitted for designation.

The LACAC has studied designation and recommends to Council for approval.

The Armory Hall was built in 1865 and has served the community as a Drill Hall - meeting hall for district and now Liquor Store and Works Hall.

Your consideration to this matter is appreciated.

On behalf of Elora Local Architectural Gonservation Advisory Committee.

Sincerely

Hugh M. Waind.
