In, the matter of The Ontario Heritage Act, 1974, S.O. Chapter 122.  
And in the matter of the lands and premises known municipally as The  
Victoria St. United Church in the Town of Goderich in the  
Province of Ontario.

NOTICE OF INTENTION TO DESIGNATE

TO: United Church of Canada  
c/o Rev. Wood  
40 Victoria Street South  
Goderich, Ontario

Ontario Heritage Foundation

Take notice that the Council of the Corporation of the Town  
of Goderich, on the 13th day of July 1981,  
decided to designate the lands and buildings, known  
municipally as Victoria St. United Church as a property of  
architectural and/or historical significance under The  
Ontario Heritage Act, 1974, S.O. Chapter 122.

REASON FOR PROPOSED DESIGNATION

"The Victoria Street United Church." The Victoria Street United Church  
has been referred for historical designation for architectural reasons.  
It is a rectangular building in plan, having two opposing gable dormers  
around the altar. Its construction is of natural stone foundation  
progressing to a light coloured brick bearing walls. The main facade,  
using complex proportions and roof slope, gives the rectangular building  
an apparent asymmetrical plan. This three-plan facade and sides are  
rich in corbelling (decorative brickwork). Brick surrounds cap the tall  
pointed arch windows. Also, there are full circular surrounds about  
delicate circular vents that are situated at each of the four axes.  
The original wooden doors form an important part of the front design,  
enframed in a gothic archway.

Notice of objection to the designation may be served on the  
Town Clerk within thirty days of the 15th day of July  
19 81

Dated at Goderich, Ontario this 14th day of July 1981.

Signed
