ONTARIO HERITAGE  
FOUNDATION

Dear Property Owner:

Attached is a copy of the Notice of Intention to Designate and Reason for Proposed Designation. You will note that there may not be any change to the notice with the exception of the objection period which has been extended to 30 days from the 29th day of September, 1982. This is a result of the ad which appeared in the Goderich Signal Star on September 22nd and did not give an exact location of some of the properties being designated. Therefore the ad has been revised and the objection period extended to 30 days from the first publication of September 29th.

Yours truly,

  
Larry J. McCabe

In the matter of The Ontario Heritage Act, Chapter 337,  
R.S.O. 1980, Part 4.

And in the matter of the lands and premises known municipally  
as "The Huron County Pioneer Museum" in the Town of Goderich in  
the Province of Ontario.

NOTICE OF INTENTION TO DESIGNATE

TO: Mr. Bill Hanly  
Clerk-Treasurer.  
County of Huron  
1 Court House Square  
Goderich, Ontario

Ontario Heritage Foundation

Take notice that the Council of The Corporation of the Town of  
Goderich, on the 20th day of September, 1982 decided to  
designate the lands and buildings, known municipally as "The  
Huron County Pioneer Museum" as a property of architectural  
and/or historical significance under The Ontario Heritage Act,  
Chapter 337, R.S.O. 1980, Part 4.

REASON FOR PROPOSED DESIGNATION

"The Huron County Musuem" is a distinguished work of architecture  
in the Elizabethan style. Constructed in 1856 as a school house,  
the building, which is two storeys in height, has civic grandeur  
as witnessed by its symmetrical principle facades to the north,  
south and west and projecting gabled front and twin gabled wings  
to the side. The wall material is mostly a warm orange brick  
reminiscent of the Netherlands, which greatly influenced the  
Elizabethan style, but with stone banding and framing to the  
windows and front elevation. On the side elevations the stone  
changes to a light buff brick. Tall rectangular chimneys flank  
the side elevations. The building's principle facades are close  
to the original design and represent therefore, a fine opportunity  
to conserve an example of Elizabethan styled civic building stock.

Notice of objection to the designation may be served on the Town  
Clerk within thirty days (30) of the 29th day of September, 1982.

Dated at Goderich, Ontario this 27th day of September, 1982.

Signed

  
TOWN CLERK
