SCHEDULE "A"

STATEMENT OF REASONS FOR DESIGNATION

WICKLOW BAPTIST CHURCH

Lot 13, Conc. A, Haldimand Twp. County of Northumberland

Historical Significance:

The Wicklow Baptist Church was built by congregation volunteers in 1824. It is believed to be the oldest Baptist Church in Ontario and possibly Canada. Designed in a simple Gothic style, it owed its Colonial design to the New England immigrants who moved into this area after the American Revolution.

The exterior is a simple 6" clapboard, with 3 Gothic arched windows on each side, well proportioned in the style of Christopher Wren. The front elevation has 2 Gothic arched small doors as an entrance way.

Overall, the building is a post and beam construction with main posts approximately 8 - 10 feet apart. The ceiling is elliptical in shape, and all walls and the ceiling are covered with axe-split lath and plaster.

Originally, the congregation would have been sitting on benches, and later, possibly in the 1860's, pews of this style were added, and remain in their original condition. The 2" X 8" tongue and groove floors appear to be original and laid on 32' hemlock beams.

The location, on the Heritage Highway Number 2 is significant to the community at large.

Dated at the TOWNSHIP OF HALDIMAND this day, 18th

October of the year 1985.
