NOTICE OF INTENTION TO DESIGNATE

✓ Ontario Heritage Foundation.

Take notice that the Council of the Corporation of the City of Toronto, on the 4th day of February, 1976, decided to designate the lands and buildings, known municipally as 103 Front Street East, as a property of architectural and historical value or interest under The Ontario Heritage Act, 1974, 1974 S.O. Chapter 122.

Short Statement of the Reasons for the Proposed Designation:

The South St. Lawrence Market - 103 Front Street East. The South St. Lawrence Market incorporates Toronto's 1844 City Hall, designed by Henry Bower Lane and rebuilt at the end of the nineteenth century. It is recommended for designation on historical grounds for its associations with the economic, political and social development of the City of Toronto. The building is also of importance architecturally as an example of the work of one of Toronto's first architects, and, although drastically altered, it remains an important example of the late Georgian style of architecture in Ontario. The late nineteenth century alterations, which sheltered the entire market under a great metal and wood arch, represent the one major use of this type of nineteenth century construction remaining in the City and are in themselves as notable an example of the work and attitudes of their period as Lane's original City Hall. The building also forms part of the extended grouping of religious, public and commercial buildings including St. James' Cathedral, St. Michael's Cathedral and St. Lawrence Hall that forms the heart of nineteenth century Toronto.

Notice of objection to the designation may be served on the Clerk within thirty days of the 13th day of February, 1976. (Reference File 0996).

Dated at Toronto this 13th day of February, 1976.

ROY V. HENDERSON
City Clerk.
