### SCHEDULE "B"

Reasons for the designation of the Toronto Carpet Manufacturing Co. building at No. 1179 King Street West

The Toronto Carpet Manufacturing Co. building, 1179 King Street West at Fraser Avenue, is designated to be of historic and architectural value as a well-preserved example of a late nineteenth century industrial complex. And such is its size and design (with a corner clock tower) that it is also a landmark and a dominant element in the area's streetscape.
