Take notice that the Council of the Corporation of the City of Toronto, on the 4th day of February, 1976, decided to designate the lands and buildings, known municipally as 285-291 Jarvis Street, as a property of architectural value or interest under The Ontario Heritage Act, 1974, 1974 S.O. Chapter 122.

Short Statement of the Reasons for the Proposed Designation:

Row Housing - 285-291 Jarvis Street - The row housing at 285-291 Jarvis Street, built c.1890, is recommended for designation on architectural grounds as a very good example of the Romanesque Revival style as practiced in Toronto, with an emphasis on fine sculpture and elaborate composition. The group is also one of a very few examples of row housing in a style normally used for semi-detached and detached houses.

Notice of objection to the designation may be served on the Clerk within thirty days of the 13th day of February, 1976. (Reference File 1026).

Dated at Toronto this 13th day of February, 1976.
