Dear Sir

RE: Lot 75, Plan M44, 130 Main Street North
Campbellville, St. David's Presbyterian Church

Pursuant to Section 29, Subsection 3 of The Ontario Heritage Act, R.S.O. 1990, Chapter 0.18, as amended, enclosed is a Notice of Intention to Designate, the interior and exterior of the structure at 130 Main Street North, Campbellville, in the Town of Milton, to be of architectural and historical significance.

Should you have any questions with respect to this matter, please do not hesitate to contact the undersigned.

Yours very truly

William Roberts

cc. L.A.C.A.C.

IN THE MATTER OF THE ONTARIO HERITAGE ACT

R.S.O. 1990, CHAPTER 0.18

AND IN THE MATTER OF THE LANDS AND PREMISES KNOWN MUNICIPALLY AS 130 MAIN STREET NORTH, CAMPBELLVILLE (LOT 75, PLAN M44), IN THE TOWN OF MILTON, IN THE PROVINCE OF ONTARIO.

NOTICE OF INTENTION TO DESIGNATE

TO: The Ontario Heritage Foundation
77 Bloor Street West
Toronto, Ontario
M7A 2R9

TAKE NOTICE THAT the Council of the Corporation of the Town of Milton intends to designate the interior and exterior of the building known municipally as 130 Main Street North, Campbellville (Lot 75, Plan M44) in the Town of Milton, as a property of architectural and historical value under Part IV of The Ontario Heritage Act, R.S.O. 1990, Chapter 0.18.

Reasons for the Proposed Designation:

St. David's Presbyterian Church was the second structure built by the Campbellville congregation. The materials were hauled to the site by the men of the church; stone for the building came from local farms; the brick was manufactured in the village by the Ontario Terra Cotta Brick Company. Construction began in April of 1891 and the Church was dedicated for worship on November 15th, 1891.

This one and one half storey structure is an ambitious blend of Victorian Gothic, Queen-Anne and Richardsonian Romanesque elements. The Church is the tallest, most imposing structure in the village and a prominent landscape feature. The structure is made of local red stretcher brick and local random ashlar stone, pointed to resemble cut stone. Noteworthy on the exterior are five stepped buttresses with cut stone caps flanking each side elevation and three surrounding the bell tower with its gabled parapets and tall spire; brick corbelling under the eaves of the central gable; terra cotta and raised brick friezes. Fifteen stained glass perpendicular tracery windows are crowned with brick voussoirs ending in terra cotta gargoyles. Two bay entrances, each with double five panel doors are crowned with brick labels and arched multiple-light transoms, and flanked by terra cotta gargoyles.

The interior of the structure contains ornate wooden hammer beam trusses above the Sanctuary; a cantilevered balcony with descending stepped floor extending above the foyer, into the Sanctuary; a raised central choir loft with the apse recessed into the wall behind it, framed by Corinthian capitals, moulded arch and plaster voussoir with gilded palm culsters. Trompe l'oeil painted 'cut stones' form columns below the capitals. Wooden wainscoting surrounds the Sanctuary and foyer, and doorways are trimmed with heavy wooden mouldings resembling columns. Pews are of clear varnished cherrywood with beaded arm rests and carved rosettes. Stairs to balcony and basement have turned wood newel posts and balusters, and moulded wooden cap rails.

ANY PERSON MAY, before the 13th day of August, 1993 send by registered mail or deliver to the Clerk of the Corporation of the Town of Milton, notice of his or her objection to the proposed

designation, together with a statement of the reasons for the objection and all relevant facts. When a Notice of Objection has been received, the Council of the Town of Milton will refer the matter to the Conservation Review Board for a Hearing and report.

DATED at Milton, Ontario, this 14th day of July, 1993.

William Roberts, Town Clerk
