SCHEDULE 'A' to BY-LAW NO. 12-2004

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being on the east side of Bronte Street, in the Town of Milton, Regional Municipality of Halton more particularly described as Part of Lot 14, Teetzel's Survey, Concession 2 NS, Former Geographic Township of Trafalgar, Part 1 on Plan 20R-14863 in the Town of Milton, Regional Municipality of Halton.

SCHEDULE 'B' to BY-LAW NO. 12-2004

The cemetery was established on Bronte Street as early as 1824. The first known burial in the cemetery occurred in July 1824, with the death of Thomas Harrison. Many of the area's early families are buried here, including Jasper (1833) and Sarah Martin (1830) who settled in Milton in 1820. Jasper built the first mill around which the community grew and this cemetery is located on Martin Crown Land.

Jasper Martin obtained title to the Southwest Half of Lot 14, Concession 2 NS Trafalgar by Crown Patent on March 24, 1826. These lands include the lands upon which the Bronte Pioneer Cemetery is now located.

There were 61 plots in the cemetery plan, separated by a pedestrian walk in the shape of an X. Dimensions of the plots were measured on the original plan by Henry Winter and Abrey, Surveyors, dated November 7, 1860.

The cemetery has a triangular shape with an iron fence that was erected in 1928. The two dozen erect stones, arches, pillars and high-rising pedestals that mark the last resting place of early Miltonians were re-set on new foundations in 2000. There are no known plot plans of the cemetery indicating the exact location of interments, however, markers in place in 1981 were recorded by the Ontario Genealogical Society.
