**CITY OF HAMILTON**

**NOTICE OF INTENTION TO DESIGNATE**

**5 Brock Street North, Dundas, City of Hamilton**

**IN THE MATTER OF THE ONTARIO HERITAGE ACT** and the property in the City of Hamilton known municipally as 5 Brock Street North

**NOTICE IS HEREBY GIVEN** that the City of Hamilton intends to designate this property as being a property of cultural heritage value.

**Statement of Cultural Heritage Value**

The 1857 stone cottage located at 5 Brock Street North, Dundas, possesses cultural heritage value due to its association with the economic and industrial development of the Town of Dundas. This workers' cottage is representative of the housing stock built in the town for the burgeoning working class in the mid-nineteenth century. The vernacular late-Georgian style, stone residence is a well-designed example of a one and one-half storey cottage and is also a good example of local stone workmanship. The building retains its residential character and contributes to the historic quality of the streetscape.

**Description of Heritage Attributes**

All four elevations and the gable roof of the main building together with all construction materials and all component features and detailing.

All three elevations and the gable roof of the one-storey kitchen wing attached to the east/rear of the building, and all building component features and detailing thereon.

The complete description of heritage attributes may be viewed in the Office of the City Clerk, 2<sup>nd</sup> Floor, City Hall, 71 Main Street West, during regular business hours.

Any person may, within 30 days after the date of publication of this Notice, serve written notice of his or her objection to the proposed designation together with a statement for the objection and all relevant facts.

Dated at Hamilton, this 28th day of July, 2006.

K. Christenson  
City Clerk  
Hamilton, Ontario
