STATEMENT OF CULTURAL HERITAGE VALUE AND DESCRIPTION OF HERITAGE ATTRIBUTES

Statement of Cultural Heritage Value

The 1909 brick residence located at 9 Kinnell Street possesses cultural heritage value due to its association with the residential development of the City of Hamilton, specifically lands subdivided in the mid-nineteenth century by Sir Allan Napier MacNab. This worker's cottage is representative of the housing stock built for the burgeoning working class in the Strathcona Neighbourhood in the early twentieth century. It is an example of vernacular Ontario centre-gabled cottage style architecture and contributes to the historic quality and pedestrian scale of the Kinnell streetscape.

Description of Heritage Attributes

All four elevations and the hipped roof with centre gable, together with all construction materials and all component features and detailing.
