SCHEDULE A

BY-LAW NO. 93-67-H

REASONS FOR DESIGNATION: The Brink Home, 382 Moxley Road

---

The Brink property is recommended for Heritage Designation for both its historical and architectural importance.

The original stone house, which may have been built before 1821, was owned by United Empire Loyalist John Green and his family, after whom the Village of Greensville was named.

The present owners have returned the surrounding landscape to its original configuration by preserving the old orchard and replanting extensive flower and vegetable gardens.

The stone house is an unusually fine example of the typical "Ontario Cottage" with its centre door and gable above. Much of the exterior and interior features have been left relatively undisturbed including early door closings, locks and wide board floors. The original front door, with sidelights and transom; the round-headed window in the gable above; and the typically symmetrical placement of the chimneys adds to the carefully preserved architectural integrity of the house.

SCHEDULE "B"
