SCHEDULE "B"

Reasons for the designation of Huron Street Public
School at 541 Huron Street.

Huron Street Public School is designated on historic grounds for its historic association with the development of the annex area. It is also designated on architectural grounds as being significant architecturally as an example of early school planning which attempted to break out of the previous 'prison-like' mode. The designer of the building also attempted to integrate it into the community by using materials and forms which were common in the residential buildings of the annex area.
