327 Charlotte Street - The Standard Surgical and Medical Clinic

The building at 327 Charlotte Street holds good cultural heritage value in its association with early medical practices in Peterborough. The Standard Surgical and Medical Clinic, constructed circa 1920, was the first multi-disciplinary partnership in Ontario and was the first such clinic in Canada to occupy a distinct medical building. It was also the first collection of doctors in Ontario who joined their resources and shared the cost of running the building.
