NOTICE OF INTENTION TO DESIGNATE

TO: Ontario Heritage Foundation,  
77 Bloor Street West,  
Toronto, Ontario.  
M7A 2R9

TAKE NOTICE that the Council of the Corporation of the Township of King intends to designate the property, including lands and buildings, at the following municipal address as a property of architectural and/or historical value or interest under The Ontario Heritage Act, R.S.O. 1980 Chapter 337.

MUNICIPAL ADDRESS:

"GLENVILLE METHODIST CHURCH"  
PART OF LOT 1, CONCESSION 2,  
OLD SURVEY, TOWNSHIP OF KING

REASONS FOR THE PROPOSED DESIGNATION

The building is recommended for designation for historical reasons. Glenville was once a thriving mill-village, a scene of industrial activity. Like other mill-villages in King Township it has lost its mills and the few surviving buildings are a small reminder of a bustling, active past. The church building is one such heritage feature. It was built c. 1859 and actively served the community until services were discontinued in 1952. For the descendants of the original congregation still living in Glenville it is a powerful link with their forbears. The building is a representative example of the many small frame churches which once covered Southern Ontario and, unlike many of the survivors, it retains its original furnishings including the box pews. It is on its original site. It is also a reminder of the importance of the local congregations in the Methodist movement and of their contribution to the religious life of rural Ontario.

Notice of objection to the proposed designation, together with a statement of the reasons for the objection and all relevant facts may be served on the Clerk of the Township of King before the 19th day of November, 1983.

Dated at the Township of King  
this 19th day of October, 1983.

  
Clerk
