BY-LAW NUMBER 86-161

ALL AND SINGULAR that certain parcel or tract of land and premises situate lying and being in the Township of King, in the Regional Municipality of York, in the Province of Ontario, and being composed of part of the east half of lots 31 and 32, in Concession 5, more particularly described as Parts 1, 2, and 3, on a plan of reference registered in the Registry Office for York Region (No. 65) as 65R-6499.

APPENDIX TO BY-LAW NUMBER 86-161

REASONS FOR DESIGNATION OF CHRISTIAN CHURCH CEMETERY

Part Lots 31 and 32, Concession 5,
Township of King

The Christian Church Cemetery was the first burying ground in the Kettleby district and dates back to 1850. It remained active until 1898 when another cemetery was started closer to the village of Kettleby. The original church at the site was known as the King Christian Church and attracted a congregation from a large area in northern King Township. Many early settlers were eventually buried in this cemetery including members of such well known families as Bogart, Tatton, Terry, Hilborn, Lloyd, Chappell, Borden, Hollingshead, Armstrong and many others. The site chosen by the early settlers for their church and burying ground is situated on a most picturesque lot overlooking the Holland River Valley with both Lake Simcoe in view far to the northeast and the hills of the Niagara Escarpment to the northwest.

The cemetery is currently owned and maintained by the Township of King. In 1985, this pioneer cemetery was restored through the volunteer efforts of the King Heritage Association. The association established a cairn consisting of 57 of the original headstones dating from 1846 to 1905. The cairn and five freestanding monuments in the centre are dedicated to the memory of the many pioneer families responsible for the early development of the area. The cemetery is a reminder to future generations of the enterprise and endurance of the early pioneers.
