APPENDIX TO BY-LAW NUMBER 84-107

REASONS FOR DESIGNATION OF THE "AUGUSTINIAN  
MONASTERY GATEHOUSE AND ENTRANCE GATES".

Part of Lot 11, Concession 4, Township of King

The major significance concerning the entrance gates and gatehouse is historical, and their relationship to the development of this property by Sir Henry Mill Pellatt, C.V.O., D.C.L., V.D. (1859 - 1939) and to his property in Toronto known as Casa Loma, a Heritage landmark. Sir Henry early in this century assembled the property and developed it into a country estate. The Basilain Order from Toronto bought the property in 1936, forming an agricultural association of lay people and clergy, and renamed it Marylake. The Augustinian Order from Toronto then bought the property in 1942 for their main retreat house. An impressive spiralling tower built in 1964 is the centre for their Maylake Shrine. The architectural significance is not major, however, the entrance gates, stone fences and gatehouse are similar in style and construction to the Casa Loma Castle in Toronto, designed by E.J. Lennox, based on Norman and Scottish castle architecture, and are built of finely cut stone trim with fieldstone infill.
