**IN THE MATTER OF THE ONTARIO HERITAGE ACT,  
R.S.O. 1990 CHAPTER 0.18**

**AND IN THE MATTER OF THE LANDS MUNICIPALLY  
KNOWN AS MILLER LASH ESTATE, CONCESSION I,  
PART LOT 9, IN THE CITY OF SCARBOROUGH IN THE  
PROVINCE OF ONTARIO.**

**NOTICE OF INTENTION TO DESIGNATE**

**TAKE NOTICE** that the Council of the Corporation of the City of Scarborough has decided to designate the property, known as Miller Lash Estate, as a property of historical value or interest under the Ontario Heritage Act, R.S.O. 1990, Chapter 0.18.

**SHORT STATEMENT OF THE REASONS FOR THE PROPOSED DESIGNATION**

**THE MILLER LASH ESTATE**, also known as the McLean House, is recommended for designated for historic and architectural reasons.

Historically, the 1913-1914 dwelling was built as the home of Miller Lash, prominent businessman and director of several Canadian and foreign companies. The unique country villa stands as a landmark in the Highland Creek Valley and sits prominently atop a small knoll overlooking the Highland Creek Valley just north of the historic Kingston Road.

Architecturally, the solid masonry quasi-bungalow style dwelling is believed to have been built and designated by American architect, Edward B. Greene of New York. The exterior walls are made of poured concrete, embedded on the exterior face with smooth field/river stones gathered from the surrounding valley. This type of domestic construction is unique in Scarborough and is likely one of the earliest structures of its type in the Toronto area. The bungalow style structure also shows influence of the Arts and Craft Movement and includes: exposed, decorative, black walnut beams, tiled roof, and hall skylights. To the north of the main dwelling, below the knoll, lies a large stone structure believed to have been used originally as an icehouse.

Notice of objection to designation may be served on the Clerk within thirty days of May 28, 1997.

Dated at Scarborough this 28th day of May, 1997.
