NOTICE OF INTENTION TO REPEAL HERITAGE DESIGNATION BY-LAW 58 OF 2005

NOTICE IS HEREBY GIVEN that the Council of the Corporation of the Town of Goderich intends to repeal designating By-law No 58 of 2005 which designated "The CPR Station" under the Ontario Heritage Act R.S.O. 1990, Chapter 0.18. By-law 58 of 2005 was enacted by the Corporation of the Town of Goderich on June 20, 2005 designating the property familiarly known as "The CPR Station", Harbour Street, Goderich Ontario, to be of historic and architectural value and interest, pursuant to Section 29 of The Ontario Heritage Act, 1974, S.O. Chapter 122.

This act requires that a property, rather than a building, be designated. The building is considered to be a heritage attribute of the designated property. Therefore, the repeal of Bylaw 58 of 2005 has become necessary due to the moving of the former CPR building in 2013 to a different property than was originally designated (originally 1 Beach St., but now 2 Beach St.).

The Goderich Municipal and Marine Heritage Committee recommended and Goderich Town Council agreed to commence the process to repeal By-Law 58 of 2005 and to designate the current location of the CPR station under a new Bylaw 23 of 2017.

AND TAKE NOTICE THAT any person who objects to this proposed repeal shall, within thirty days after the date of the publication of this notice of intention, serve on the Clerk of the Municipality, at the address noted below, a notice of objection setting out the reasons for the objection and all relevant facts.

If you have any questions, please contact the undersigned.

Dated at Goderich, Ontario this 8th day of February, 2017
