SCHEDULE 'B' TO BY-LAW 2011-257

BEING A BY-LAW TO DESIGNATE THE PONTYPOOL GRAIN ELEVATOR, IN THE FORMER GEOGRAPHIC TOWNSHIP OF MANVERS, NOW IN THE CITY OF KAWARTHA LAKES BEING LEGALLY DESCRIBED AS PT LT 11, CON 2, BEING PT 1 ON 57R-9869; KAWARTHA LAKES (PIN 63269-0543(LT)) AS BEING OF CULTURAL HERITAGE VALUE AND INTEREST.

Statement of Cultural Heritage Value or Interest

The grain elevator is an unique example of the grain elevator structures that at one time were prevalent throughout Ontario. The structure is of heritage value because of its architectural features and its landmark status. The building was built in the early 1900's by the Good Grain Company and was of significant economic use for Canada's grain industry. It was used for weighing and grading agricultural goods and facilitated the transportation of locally grown agricultural goods via the Canadian Pacific Railway. This structure is located at the gateway to the Kawartha Lakes and is visible from provincial highway No. 35.

Description of Heritage Attributes

The heritage attributes of the structure include its plank on plank framing; its original construction features most notably the original post and beam construction and the exterior cladding of cedar shingles. A bronze survey plaque was added to the structure in 1918 and was used during the surveying of the surrounding area. The remarkable physical condition of the structure would easily lend itself to a heritage designation.
