Dear Sir or Madam:

Re: Notice of Passing – Heritage Designation
Our File Number: C11-071-015

Please take notice that the Council of the City of Kawartha Lakes passed By-law No. 2008-082 on May 21, 2008 under Section 29 on the *Ontario Heritage Act*. The purpose and effect of By-law No. 2008-082 is to designate the exterior of the "Gilmour House", 4983 Monck Road to be of cultural heritage value or interest.

The property is described as Part of the East ½ of Lot 1, in the 13th Concession of the geographic Township of Somerville, now in the City of Kawartha Lakes.

Statement of Heritage Value or Interest:

The Gilmour House was the location of a locally significant event involving the creation of a commemorative quilt to honour the visit of King George VI in 1939. Townspeople donated 25 cents to have their name embroidered on the quilt. The property owner's second cousin, Ivy Gilmour, called this building home from the 1930s to the 1950s and was a well-respected teacher at the Kinmount Public School. Also, many local teachers boarded at this time.

This red brick, vernacular Gothic Revival style house has a basic cross-gable, centre hall plan and is fairly typical of rural Ontario residential architecture. However, the shed roof of the rear portion of the house adds a "Saltbox" appearance to the plan thus adding uniqueness to the design. Other significant features of the house are the decorative vergeboard on the front gable, chamfered wood verandah posts, patterned brackets and wood windows on the main floor.

Description of Heritage Attributes:

- Red brick walls on all elevations.
- Roof and rooflines of the main house including the rear-sloping Saltbox-style roof.
- Decorative wood vergeboard on the front gable.
- Pent verandah roof across the front of the house.
- Chamfered wood verandah posts and patterned brackets.
- Round-headed window with brick voussoirs in the front gable.
- Segmental-arched window openings with brick voussoirs on the front and side elevations.
- Two-over-two wood sash windows on the front and side elevations.
- Original wood front door and glass transom above.

If you should have any questions, please feel free to contact the writer.

Yours truly,

Richard Danziger
Director
