SCHEDULE "A"

All and singular that certain parcel or tract of land and premises situate, lying and being in the Town of Kenora, District of Kenora, Province of Ontario, being composed of Lots 179 and 180, Block 2, Plan 3, commonly known as the "Old Post Office", 9 Main Street South.

SCHEDULE "B"

*
Reasons for the designation of the "Old Post Office Building" at 19 Main Street South:

The structure is most typical and is a prime example of late 19th Century public building design.

The fine brick masonry along with the stone accents around the fenestration is extremely well detailed and is of significant architectural value to the Town of Kenora.

The Clock Tower has been a focal point of the main street activity centre and also the western approach to the town and effectively provides a north closure for the main shopping area in contra-position with the Kenricia Hotel at the south end.
