IN THE MATTER OF the Ontario Heritage Act
R.S.O. 1980, Chapter 237

NOTICE OF INTENTION TO DESIGNATE

The Council of The Corporation of the City of Kingston intends to pass a by-law to designate **48 Earl Street**, in the City of Kingston, County of Frontenac, to be of architectural value or interest, pursuant to Section 29 of the Ontario Heritage Act:

Reasons for Designation:

This three-bay, two-storey frame house on stone foundation provides an interesting contrast to the designated stone and brick houses on either side of it. The asymmetrical facade, carefully rehabilitated and restored, is an excellent example of the "stick style". The gabled facade has fish scale shingles and a barge board with rectangular panels. The entrance porch with pierced wood cresting and gable is in the Eastlake style.

OBJECTIONS:

Any person wishing to object to this designation may do so by letter outlining reasons for the objection and other relevant information. These must be received by the Clerk of the City of Kingston either by registered mail or personally delivered by the **2nd day of July, 1996**.

DATED at Kingston, Ontario,
this 1st day of June, 1996

Sheila Birrell, City Clerk
