**NOTICE OF DESIGNATION OF 110 COLLINGWOOD STREET  
(INGLEWOOD) TO BE OF ARCHITECTURAL VALUE  
PURSUANT TO THE PROVISIONS OF  
THE ONTARIO HERITAGE ACT (R.S.O. 1990, Chapter O.18)**

**TAKE NOTICE** that the Council of The Corporation of the City of Kingston passed By-law 2005-132 under Section 29 of the Ontario Heritage Act, R.S.O. 1990, Chapter O.18, to designate the lands located at 110 Collingwood Street (Regular Plan B4, PT Lot 17 S, Pt Lot 18) also known as Inglewood, to be of architectural value.

Inglewood is architecturally important not only because of all its individual exterior features, but also as a whole structure. It is an excellent example a late nineteenth century vernacular brick dwelling. Standing two and one-half stories storeys on a generous and well treed lot, the Inglewood is a neighbourhood landmark. The house sits on an L-shaped high limestone foundation and has an ornate and decorative porch, a prominent front entrance with two original doors, one with side lights and transom lights set in a plain wood surround, much of its original fenestration, and is topped by a gable roof with wooden soffit and barge board and a single brick chimney.

**Additional information**, including a full description of the reasons for designation is available upon request from the City's Heritage Planner, Marcus Letourneau at 613-546-4291, Ext 3216, during regular business hours.
