**NOTICE OF INTENTION TO PASS
A BY-LAW TO DESIGNATE 935 SYDENHAM ROAD
TO BE OF HISTORICAL AND ARCHITECTURAL VALUE
PURSUANT TO THE PROVISIONS OF
THE ONTARIO HERITAGE ACT (R.S.O. 1990, Chapter O.18)**

TAKE NOTICE that the Council of The Corporation of the City of Kingston intends to pass an by-law under Section 29 of the Ontario Heritage Act, R.S.O. 1990, Chapter O.18, to designate the lands on Part Lot 15, Concession 3, Former Kingston Township, 935 Sydenham Road, also known as the Kingston Township Hall, to be of historical and architectural value.

The 1847 Kingston Township Hall, known alternatively as the "Cataraqui Town Hall", is important for both architectural and historical reasons. It is architecturally important not only because of its individual exterior features, but also as a whole structure and as an important part of the former Cataraqui village streetscape. As the Kingston Township Hall, it has served as an important community focal point and the administrative centre for the Township of Kingston. This single storey neo-classical limestone building contains a number of notable architectural features including, but not limited to: simple but finely crafted stonework details, including a three bay blind arcaded front façade, original window sashes, an original semi-elliptical fanlight above the main entrance and original tripartite window in the rear façade.

Additional information, including a full description of the reasons for designation is available upon request from the City's Heritage Planner, Marcus Letourneau at 613-546-4291, Ext 3216, during regular business hours.

Any notice of objection, setting out the reason for objection and all relevant facts, must be served upon the City Clerk within 30 days of the first publication of this notice.

DATED at the City of Kingston
this XXX day of XXX, 2005

Carolyn Downs, City Clerk
City of Kingston
