THE CHRISTIAN SCIENCE CHURCH at 900 - 1st Avenue West,
in the City of Owen Sound. The Church was originally known as
Congregational Church and was built in the 1850's. It is the
oldest existing church in the City of Owen Sound. This Church
is built in the Regency style of local stone which was cut on
the site. While the church itself is unpretentious, the gothic
influence is clear in the stone buttresses and perpendicular
lancet windows, with switchgear tracery.
