**BY-LAW NO. 2010-200**

**THE CORPORATION OF THE CITY OF OWEN SOUND**

WHEREAS Part IV of the Ontario Heritage Act, R.S.O. 1990, Chapter 0.18, Paragraph 29, authorizes the Council of a municipality to enact By-Laws to designate real property, including all buildings and structures thereon, to be of cultural heritage value or interest; and

WHEREAS no notice of objection to the proposed designation has been served on the Clerk of the municipality;

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE CITY OF OWEN SOUND HEREBY ENACTS AS FOLLOWS:

1. There is designated as being of cultural heritage value or interest, property known as Queen's Park situated municipally at 815 First Avenue West in the City of Owen Sound, more particularly described as BF opposite Lots 7 to 10, west side of Poulett Street in the City of Owen Sound, County of Grey.
2. The Statement of Cultural Heritage Value or Interest and the Description of the Property's Heritage Attributes for designation for the property described in Clause 1 hereof are as follows:

**Statement of Cultural Heritage Value or Interest**

The main design or physical value of Queen's Park lies with the Cenotaph. This symbolic sculpture is a modernist expression of the triumph of civilization over barbarism. It represents the universal qualities of the soldier - his solitary strength and his triumph over tyranny. This rare and unique sculpture incorporates flowing water trickling from the top face of the monument down to a large basin where it streams through decorative channels to a large pool at ground level. The sight and sound of moving water complements the symbolism of the bronze dove and olive branch at the top of the monument and the frog resting above the centre basin. It displays a high degree of craftsmanship and artistic merit.

Dedicated in 1920, two years after the end of the Great War, the Cenotaph has historical or associative value as the best example of designer Emanuel Hahn's work; Hahn also worked with and was influenced by Walter Seymour Allward of Toronto, best known as the sculptor who created the Vimy Memorial in France. The Cenotaph is, possibly, the reason for the dedication of the Park two years later. Supported by the citizens of the Town of Owen Sound and the Townships of Derby, Keppel, Sarawak, and Sydenham, at a cost of \$5,000, it was part of a national movement of cenotaph projects in most communities across Canada.

Queen's Park has contextual value because of its importance in defining the area, and is physically, functionally, visually and historically linked to its surroundings as an Owen Sound landmark, part of the civic complex which also includes the Owen Sound & North Grey Union Public Library, Tom Thomson Art Gallery, and Jervis Bay Park.

### Description of Heritage Attributes

- relationship to the civic complex at 1<sup>st</sup> Avenue West

3. The municipal solicitor is hereby authorized to cause a copy of this By-law to be registered against the property described in Clause 1 in the proper land registry office.

4. The Clerk is hereby authorized to cause a copy of this By-law to be served upon the owners of the property affected by this By-law and on the Ontario Heritage Trust and to cause notice of the passing of this By-law to be published in a newspaper having general circulation in the municipality.

5. This By-law shall come into full force and effect upon the final passing thereof.

FINALLY PASSED AND ENACTED this 13<sup>th</sup> day of September, 2010.

Mayor
