NOTICE OF INTENTION TO DESIGNATE

To: Ontario Heritage Foundation
77 Bloor Street West
Toronto, Ontario

TAKE NOTICE that the Council of the Corporation of the Township of Tecumseth intends to designate the property, including lands and buildings, at the following municipal address as a property of architectural and historical value or interest under The Ontario Heritage Act, R.S.O. 1980, Chapter 337.

1. The "Brazel House" is recommended for architectural and historical reasons.

This substantial brick home was built about 1845 by the Brazel (Brazil, Brazill) family. They were a prominent local family who pioneered the three corners of the village of Bond Head. The house was later sold to Dr. W. Law and served as doctors' offices where patients were also tended by Dr. Foxton and Dr. Cummings. Mrs. Mary Brazel also built and operated the Brazill House; a hotel which still survives on the south-west corner of the village.

The home retains most of it's fine architectural detail. It is an excellent example of mid 19th century building technology, reflecting the tradition and craftsmanship typical of Upper Canada and Canada West.

2. The following specific items are proposed for designation:
 - a) all doors, window sash and glass contained herein
 - b) all door and window architraves
