SCHEDULE "A" TO BY LAW 1981-67

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Town of Penetanguishene, in the County of Simcoe and being composed of Lot No. 4 on the South side of Water Street, containing one-half acre more or less as shown on registered Plan No. 9.

14 Water Street, Penetanguishene

REASONS FOR DESIGNATION:

In 1859, the prominent local merchant and first mayor, Alfred Andrew Thompson, built this house, a classic example of the Georgian Style of architecture.

The Thompson family's active involvement in the politics of the municipality is indicated by their 8 years of representation in the position of Mayor.

The stone wall extending along the front border of the property, the two chimney stacks at the corners of the hip roof peak, the structural openings (windows, doors) and the more recently added verandah all support the house's symmetry which, above all else, is most important in Georgian styling. The main door with its side lights, transom light and defining pilasters also bolster the symmetry of the house.

Although the Flemish bond red brick exterior is not very decorative, it does have significance in that the bricks were hand made. ^{AC}
