REGISTERED

IN THE MATTER OF the Ontario Heritage Act, R.S.O.
1980, c. 337;

AND IN THE MATTER OF the lands and premises
known municipally as 163-165 Bolton Street and
350-352 Cumberland Street in the City of Ottawa,
in the Province of Ontario.

NOTICE OF DESIGNATING BY-LAWS

TAKE NOTICE that the Council of The Corporation of the City of
Ottawa on the 1st day of May 1985, enacted:

- a) By-law Number 114-85 designating the lands and buildings known
municipally as 163-165 Bolton Street and
- b) By-law Number 115-85 designating the lands and buildings known
municipally as 350-352 Cumberland Street as properties of
architectural value under the Ontario Heritage Act, R.S.O. 1980,
c. 337.

STATEMENT OF REASONS FOR THE DESIGNATIONS:

163-165 Bolton Street

The one and one-half storey clapboard double residence at 163-165
Bolton Street is recommended for designation as being of architectural
value. Erected in 1897, it is a Bellcast, two sided, mansard structure
with gabled dormers and its side to the street. With its regularity,
symmetry, rectangular form, and simplicity of construction it is a
good example of a Lowertown vernacular double residence.

350-352 Cumberland Street

The two and one-half storey wood frame double residence at 350-352
Cumberland Street is recommended for designation as being of
architectural value. Erected c. 1860, it is a pitched roof structure
with the side to the street and brick veneer on the north and east facades.
With its regularity of window and door openings and rectangular form,
along with its simplicity of construction and materials, it is a typical
example of a vernacular Lowertown double residence of its time.

A copy of these By-laws may be obtained at the Office of the City
Clerk.

DATED at Ottawa this 23rd day of May 1985.
