**SCHEDULE "B"**

"The Registry Office at 78 Alchon Street is recommended for designation as being of architectural and historical value. Erected in 1874, according to a general government plan, the building is an excellent example of a special social need resulting in a specific type of building. The round-headed window and door arches with rusticated quoins, the salmon-gold brick and the barrel-vault ceiling establish a sense of officialdom in this miniature structure, giving the building an endearing and pleasant quality."
