REASONS FOR THE PROPOSED DESIGNATION

CITY OF BELLEVILLE
MARKET SQUARE

SUMMARY OF HISTORICAL BACKGROUND

The Market has played a significant role in Belleville's history for almost two centuries. The original town plan in 1816 reserved land for a Market, immediately to the east of this site. In the 1840's the present site was selected for the central Market. A Market building was erected at the east end in 1849 and a much larger Market building (now known as City Hall) was erected at the west end in 1872-73. The Market Square is a visible reminder of the importance of agriculture to Belleville's growth.
