CHAPTER 337.

AND IN THE MATTER OF THE LANDS AND PREMISES AT THE FOLLOWING
MUNICIPAL ADDRESS IN THE CITY OF KANATA IN THE PROVINCE
OF ONTARIO

NOTICE OF PASSING OF BY-LAW

TAKE NOTICE that the Council of the Corporation of the City of Kanata has passed By-Law Number 88-82 to designate the following property as being of architectural and/or historical value or interest under Part IV of The Ontario Heritage Act, R.S.O. 1980, Chapter 337.

- (a) Old Town Hall
(formerly March Township)
SE 1/2 Lot 11, Concession III
City of Kanata

Reasons for Heritage Designation

Following a winter storm which blew down and partially destroyed the second Township Hall, located across Highway 17 at the Old Carp Road, the Council of the Township of March decided in January of 1901 to build a new Town Hall in the more central neighbourhood of March Corners, exchanging the old site for the new site with Mr. Samuel Scissons, the adjacent landowner of both sites.

The Town Hall was constructed by Mr. Humphrey Gow, a local contractor, and construction was completed in November of 1901.

In addition to the municipal administrative use of the Hall from 1901 to 1967, the Council minute book indicates that the Hall was rented for such social events as a concert organized by Reverend McCallum and for Learning School Committee Meetings.

The Town Hall is an intricate part of the South March Corners which is distinctive in that many of the original commercial and institutional buildings still remain intact. The retention of the Town Hall is important for preserving the character of the surrounding district.

DATED at the City of Kanata this 10th day of September, 1982.

Brian C. Switzer, AMCT
City Clerk
