SHORT STATEMENT OF THE REASONS  
FOR THE PROPOSED DESIGNATION

The Octagonal House is recommended for designation as an excellent and well preserved example of the octagonal mode of building. The foundation is of rough fieldstone with brick walls executed in a rich Flemish bond. French double doors are centred in each of the three sides which face the road. The roof of the house has a gentle pitch and below the eaves a band of decorative brickwork contains a contrasting white brick cruciform motif.

NOTICE OF OBJECTION to the designation may be served on the Clerk within thirty days of the 28th day of December, 1978.

DATED at the City of Brampton this 28TH day of December, 1978.
