Ontario Heritage Trust heritage conservation easement property

Under Ontario Heritage Act section 10 (1) (c), the Trust may enter into agreements, covenants and easements with owners of real property or interests in real property for the conservation, protection and preservation of the heritage of Ontario. Under section 22 (1), any easement or covenant entered into by the Trust may be registered against the real property affected in the proper land registry office.

Conservation easements are voluntary legal agreements between heritage property owners and the Ontario Heritage Trust that protect significant features of a property. The terms of the easement are registered on the property title and apply to the easement donor and all future owners of the property. Easements allow the Trust to protect a heritage site without owning it. They also offer conservation-minded Ontarians an opportunity to permanently protect the heritage value of their property while continuing to enjoy it.

Bien faisant l'objet d'une servitude de conservation du patrimoine par la Fiducie du patrimoine ontarien

En vertu de l'alinéa 10(1)c) de la *Loi sur le patrimoine de l'Ontario*, la Fiducie peut conclure des ententes et des engagements avec les propriétaires de biens immeubles ou les titulaires des droits qui s'y rattachent, et constituer des servitudes avec eux, en vue de la conservation, de la protection et de la préservation du patrimoine de l'Ontario. En vertu du paragraphe 22(1), les servitudes constituées ou les engagements conclus par la Fiducie peuvent être enregistrés sur les biens immeubles visés au bureau d'enregistrement immobilier approprié.

Les servitudes protectrices du patrimoine sont des ententes juridiques volontaires conclues entre les propriétaires de biens patrimoniaux et la Fiducie du patrimoine ontarien. Elles visent à protéger les caractéristiques importantes d'une propriété. Les conditions de la servitude sont enregistrées sur le titre de propriété et s'appliquent au donateur de même qu'à tous les propriétaires futurs. Les servitudes permettent à la Fiducie de protéger un site du patrimoine sans avoir à en devenir propriétaire. Elles offrent aussi l'occasion aux adeptes de la conservation en Ontario de protéger de façon permanente le caractère patrimonial de leurs propriétés, tout en pouvant continuer à en jouir.
