SCHEDULE 'A' TO BY-LAW NO. 99-85

SHORT STATEMENT OF THE REASONS FOR

THE PROPOSED DESIGNATION

Glen Erin Hall or the William Watson Evans Estate is recommended for designation for its architectural and historical importance. Built c 1928 as a summer home for William Watson Evans, this one-and-a-half storey house and garage of Credit Valley stone work is an important Mississauga example of the country homes built by prominent architects for affluent clients during the 1920's and 1930's. Associated with the social history of the area, its proximity to another country home of a prominent Upper Canadian of one hundred years earlier, i.e. the c 1830 John Beverley Robinson-Adamson House, illustrates the continued desirability of the Township of Toronto for summer residences by prominent citizens until the Second World War. The house is a landmark in an area of new residential subdivisions west of Mississauga Road and north of Dundas Street.
