SCHEDULE 'A' TO BY-LAW NO. 224-84

SHORT STATEMENT OF THE REASONS FOR

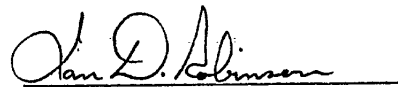

THE PROPOSED DESIGNATION

The Hammond House is listed on the Heritage Inventory and is recommended for designation for its architectural and contextual importance. Built by Thomas Hammond, c 1866, the house is a fine example of the type of farmhouse recommended by the Canadian Journal, The Canada Farmer in the mid-1860's. The building achieves distinction through the use of a variety of stylistic details. Architectural features of importance include the central projecting bay terminating at roof level in a gable, Italianate brackets, stone quoining and paired round headed windows in the gable ends of the rear addition. Contexturally, the house is a recognizable reminder of 19th settlement in Erindale and Mississauga.
