SCHEDULE 'A' TO BY-LAW NUMBER700-78

Reasons for the designation of the "Leslie Log House"
located on Mississauga Road north of Derry Road West.

The Leslie Log House is recommended for designation on the architectural grounds that not only is it one of the earliest structures still standing in the City of Mississauga today, but also as a rare surviving example of log construction. Despite such changes as the removal of the clapboard, it is still a good example of a vernacular building with some stylistic characteristics in its Georgian entranceway. Built about 1825-1826 by John Leslie, Sr., the house was lived in by the same family for almost seventy years, thus reflecting the usual pattern of early settlement.

SCHEDULE 'B' TO BY-LAW NUMBER ...700-78....
