SCHEDULE 'A' TO BY-LAW NO. 770-83

SHORT STATEMENT OF THE REASONS FOR
THE PROPOSED DESIGNATION

The Streetsville War Memorial or Cenotaph is a reflection of the social history not only of the Town of Streetsville but of the province and the nation in the first half of the twentieth century. In a research report on the Streetsville War Memorial or Cenotaph by Mr. Robert J. Shipley, he stated, "it was a period of great shock at the loss of so many young men and people felt the need to justify the sacrifice by thinking of high minded things. These monuments are significant because they represent a time when our communities celebrated not victory but the values that had been fought for. We don't have anything else quite like them." Located in the centre of Streetsville's historical commercial core, at the intersection of Queen Street and Main Street, the Cenotaph is a significant landmark in the streetscape.
