PJS:ec  
Encls.

IN THE MATTER OF THE ONTARIO HERITAGE  
ACT, 1974, S.O. Chapter 122.

AND IN THE MATTER OF THE LANDS AND PREMISES  
AT THE FOLLOWING MUNICIPAL ADDRESS IN THE  
PROVINCE OF ONTARIO.

NOTICE OF INTENTION TO DESIGNATE

To: Ontario Heritage Foundation,  
77 Bloor Street West,  
Toronto, Ontario.  
M7A 2R9.

TAKE NOTICE that the Council of the Corporation of the Town  
of Cobalt intends to designate the property,  
including lands and buildings, at the following municipal address  
as a property of architectural and/or historical value or interest  
under Part IV of the Ontario Heritage Act, 1974, S.O. Chapter 122.

Municipal Address: W. Corner Galena and Highway 11B, Townsite Shaft 1 Headframe.

Reasons for the Proposed Designation:

The Townsite Shaft 1 Headframe is recommended for designation for architectural reasons. The 1907 Headframe, which produced millions of ounces of silver before its closure in 1939, is a powerful landmark at the southern entrance to the Town of Cobalt. It is the earliest surviving headframe within the town, and one of the earliest in the area, and incorporates modes of construction, notably the spliced and keyed vertical timbers and intricately dovetailed joints, that have since become almost extinct. The corrugated metal sheathing and original four-paned windows contribute greatly to the impact of this landmark.

Notice of objection to the proposed designation, together with a statement of the reasons for the objection and all relevant facts may be served on the Clerk of the Town of Cobalt before the 26th day of October, 1978.

Dated at Cobalt  
This 15th day of September, 1978.

(Clerk)
