REASONS FOR DESIGNATION OF  
PROPERTY UNDER THE PROVISIONS OF  
BY-LAW NUMBER 7 OF 1999

Historical Reasons:

This property was obtained by Patrick Barclay in 1873 from Judge Donald McDonald. Mr. Barclay served for many years as justice of the peace and probably this connection of the two men brought about the property ownership. Mr. Barclay served on council for many years, treasurer for thirty years, as well as postmaster and bookseller. He was one of the four men who named Petrolia in 1861 as well as one of the founders of the Presbyterian Church in Town. He was one of the first oil producers in this section and continued this all his life. He was known to almost every resident and was universally esteemed throughout his busy life. He made the path much easier for those who followed. Mr. Barclay sold the home in 1880 to Ann Jane Lambert.

Architectural Reasons:

The original woodwork - ceiling, doors, wainscotting, hardwood floor have been retained over the years.

SCHEDULE "A"

Legal Description:

All and Singular that certain parcel or tract of land premises, situate, lying and being in the Town of Petrolia in the County of Lambton being composed of Plan 6, Lot 154 municipally known as 4362 Sixth Street.
