THE CORPORATION OF THE TOWN OF WHITBY

IN THE MATTER OF THE ONTARIO HERITAGE ACT, R.S.O. 1980, c. 337

AND IN THE MATTER OF THE LANDS AND PREMISES AT THE FOLLOWING
MUNICIPAL ADDRESS IN THE PROVINCE OF ONTARIO

NOTICE OF INTENT TO DESIGNATE

TAKE NOTICE that the Council of the Corporation of the Town of Whitby intends to designate the property, including lands and buildings at the following municipal address as property of architectural value or interest under Part 4 of the Ontario Heritage Act, R.S.O. 1980, c. 337.

John Watson House
1733 Dufferin Street
Whitby, Ontario

REASONS FOR DESIGNATION OF 1733 DUFFERIN STREET

Historical

The house was built circa 1857 for, or by, John Watson, a wealthy grain merchant in Port Whitby. Together with James Rowe, Watson helped develop the Port into a thriving community in the 1850's and 1860's. He was also the first Whitby Town Councillor for Port Whitby (South Ward) from 1855 to 1859. The house was also owned by David Galbraith, part-owner and harbour master of Whitby Harbour from 1880 to 1905

Architectural

The John Watson house is typical of a wealthy man's home of the 1850's and is one of the oldest large homes left in Port Whitby. It is a fine example of the mixed Regency-Classical Revival architectural tradition in vernacular building.

Any person may, before October 26, 1984, send by registered mail or deliver to the Clerk of the Town of Whitby notice of his or her objection to the proposed designation together with a statement of reasons for the objection and all relevant facts. If such notice of objection is received, the Council of the Corporation of the Town of Whitby shall refer the matter to the Conservation Review Board for a hearing.

DATED at the Town of Whitby this 26th day of September, 1984.

Donald G. McKay
