NOTICE OF INTENT TO DESIGNATE

TAKE NOTICE THAT THE Council of the Corporation of the Town of Whitby intends to designate the property, including lands and buildings, at the following municipal address as property of historic or architectural value or interest under Part IV of the Ontario Heritage Act, R.S.O. 1980, c. 337.

The Fothergill House
1011 Dundas Street West
WHITBY, Ontario

REASONS FOR DESIGNATION OF 1011 DUNDAS STREET WEST, WHITBY

HISTORICAL

This house was built in 1883 by John Joshua Fothergill a farmer and son of Charles Fothergill, a noted political figure and a naturalist in early Upper Canada.

ARCHITECTURAL

The Fothergill House is a fine example of rural Queen Anne architecture, asymmetrical in plan and elevation. Prominent features of the house are a modest turret on the east front corner and a wide projecting bay on the west side at the front of the house. Two external chimneys, on the east and west sides, are decoratively treated with corbelling, diagonal patterns on the brick.

Any person may, before August 25, 1989, send by registered mail or deliver to the Clerk of the Town of Whitby, notice of his or her objection to the proposed designation together with a statement of reasons for the objection and all relevant facts. If such notice of objection is received, the Council of the Corporation of the Town of Whitby shall refer the matter to the Conservation Review Board for a hearing.

DATED at the Town of Whitby this 9th day of August, 1989.
