## **STATUTORY NOTICE** **ONTARIO HERITAGE ACT**

### **NOTICE OF INTENT TO DESIGNATE AS A HERITAGE PROPERTY BY THE CORPORATION OF THE TOWN OF WHITBY**

---

**TAKE NOTICE** that the Council of the Corporation of the Town of Whitby intends to designate the property, including the lands and building (north, south and west elevations) at the following municipal address as property of historical and architectural value or interest under Part IV of the Ontario Heritage Act, R.S.O. 1990, c. 0.18 as amended 2005.

**Albert G. Alexander House  
75 Baldwin Street  
Brooklin, Ontario**

#### **REASON FOR DESIGNATION OF 75 BALDWIN STREET, BROOKLIN, ONTARIO**

##### **Historical**

The house at 75 Baldwin Street, Brooklin, has the unique distinction of being associated with the furniture-making and undertaking business for more than 140 years (1864-2007).

On May 11, 1857, Robert Darlington sold the vacant subject property to Albert G. Alexander. Albert G. Alexander (1818-1911) came to Brooklin in the early 1850's and was a school teacher in Ashburn and Brooklin. On September 14, 1863, Albert G. Alexander mortgaged his property so he had enough money to build a house, and it is likely he built the house at 75 Baldwin Street at this time. He lived there for only a year, moving to Plattsburg, Missouri in 1864 where he died at age 93. Between 1864 and 1916 various different families lived in the house for short periods. In 1916 the Robinson family purchased the house and several generations of the family have lived in the house since then. On December 15, 2003 the Robinsons sold the house to [REDACTED]

##### **Architectural**

This home was originally constructed circa 1863. The original house is comprised of a two storey gable roofed frame house with an entrance on the south face. A large one storey addition was added to the south with a built in garage. The addition is sympathetic to the original structure. It is considered a landmark building closing vistas at the end of Pearl Street.

The house at 75 Baldwin Street is a typical example of an 1860's house in Brooklin and has an historic association with the furniture and undertaking business for more than 140 years, making it one of Brooklin's more historic homes.

**AND TAKE NOTICE** that any person may, before **September 11, 2009** send by registered mail or deliver to the Clerk of the Town of Whitby, notice of his or her objection to the proposed designation together with a statement of reasons for the objection and all relevant facts. If such a notice of objection is received, the Council of the Corporation of the Town of Whitby will refer the matter to the Conservation Review Board for a hearing.

DATED at the Town of Whitby this 12<sup>th</sup> day of August, 2009.

Martha A. Pettit  
Deputy Clerk of the Town of Whitby

Whitby, Ontario L1N 2M8
