SCHEDULE "B"

Reasons for Designation

The Ripley Cemetery is an inactive cemetery of the South Crosby Township which marks the resting place of some of the earliest settlers in our Community. For example, Walter Davis, the owner of the first sawmill at the site of the Davis Lock, is buried in the Ripley Cemetery. The nineteenth century monuments in this cemetery were, for the most part, of local manufacture at Allyn's Marbleworks in Delta, pre-Confederation monuments dating as early as 1820's.
