BY-LAW NUMBER 2666

2 Arnold Street, Paris, Ontario

Architectural

- An excellent example of a Paris stucco working class building. Used for home and business in a time of prosperity. This home maintains basically all of its original features. Interior and Exterior.
- Based on the fact that in the 1850's this end of Town known as Upper Town was a thriving prosperous business area with Town Hall and churches and over 54 businesses. In most cases the buildings became homes and shops. This building is an excellent example of this and we feel that this home is worthy of designation under the Ontario Heritage Act.
- Designation should include all exterior features and to include the remains of the cooking ovens and fire place in basement.

Historical

- Built in the 1840's by Charles Arnold.
