Dear Sirs:

IN THE MATTER OF THE ONTARIO HERITAGE ACT, 1974 S. O. CHAPTER 122  
AND IN THE MATTER OF THE LANDS AND PREMISES AT THE FOLLOWING  
MUNICIPAL ADDRESSES IN THE VILLAGE OF VICTORIA HARBOUR IN THE  
PROVINCE OF ONTARIO

NOTICE OF PASSING OF BY-LAW

TAKE NOTICE that the Council of the Corporation of the Village of Victoria Harbour has passed by-law numbers 86-1982 and 87-1982 to designate the following properties as being of architectural and historical value or interest under Part IV of The Ontario Heritage Act, 1974, S. O. Chapter 122:

(a) BY-LAW NO. 86-1982

THE MUNICIPAL OFFICE, WILLIAM AND ALBERT STREETS, NE CORNER. According to village tradition this handsome library building was promised to the villagers by Mr. Waldie of the Victoria Harbour Lumber Company in return for a prohibition vote. Construction was begun in 1914 and completed in 1916, and the deed of the land finally transferred to the Corporation of the Village of Victoria Harbour by the Company in 1932-33. The building served its original purpose until the last lumber mill closed in late 1927 and the Company moved from the Village. With only minor alterations it has been used as a photographer's home and studio, as an industrial building, as combined offices for the Township of Tay and the Village of Victoria Harbour. Today it houses the Municipal Office of the Village of Victoria Harbour and the Tay-Victoria Harbour Union Library.

Resting upon a high stone foundation and built to a design which is reminiscent of the English renaissance revival, though executed in native pine and cedar, the building bears testimony to the solid skills of local masons and carpenters of the period.

(b) BY-LAW NO. 87-1982

THE HARBOUR HARDWARE, WILLIAM AND ALBERT STREETS, NW CORNER. The store was built by the Victoria Harbour Lumber Company to supply the families of the men who worked in the mills, and was popularly known as the "Company Store". In 1903 it was deeded to the Victoria Mercantile Company which continued the general store until Mr. John Petroff bought it in 1928. Mr. Petroff turned the building into a garage and service station. In 1944 ownership passed to Mr. Bruce Eplett who operated a hardware store until it was sold in 1979 to Mr. Clinton Todd, the present owner of the Harbour Hardware Limited. This large two-storey, rectangular, wooden building still retains much of the original interior in floors and counters as well as the exterior paint colours of the Victoria Harbor Lumber Company. Most of the original ornament of the facade has been removed but is stored in the upper floor of the building. It is the hope and intention of the present owner to restore the facade, a work which he has already begun with the replacement of the central doors. This building and the Municipal Office together keep alive the memory of the origins and early appearance of the Village.

DATED at Victoria Harbour this 25th., day of January, 1982.
